

Nemeris IT OÜ — Cookie Policy

Updated: 2026-04-16

1. Overview

Strictly necessary cookies for security, session management, and load balancing are used by Nemeris IT OÜ. Optional analytics only with your explicit consent.

2. Types

Necessary: Authentication, session, CSRF protection, routing.

Optional: Aggregated usage metrics (IP anonymized where possible). No third-party marketing pixels without consent.

3. Control

Manage preferences via on-site controls or browser settings. You can delete cookies at any time.

4. Retention

Session cookies expire when the browser is closed; preference cookies are kept for up to 12 months.
